

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

1921

A Corporate Communion was held the following morning.

At the second business session the subject of discussion was that of religious education. It seems a very terrible thing, that so many of the youth of the land, are growing into manhood and womanhood with no proper training along religious lines. They choose to go to state institutions which are larger and better equipped, instead of to our own Church Schools and Colleges. The Church needs more and better Schools. It ought to be possible for every child of the Church to receive its education in a Church institution?

The Convocation was pleased to welcome into its body two new members in the persons of the Rector at Lenoir, Rev. Basil M. Walton, and the Rev. Mr. Guignard, of Lincolnton. We are glad that the vacant places are filled and wish for them a splendid work.

The Convocation, upon motion, voted to accept the invitation of the Penland School for its meeting in August.

A fine spirit of brotherhood is felt in our Convocation, and this was manifested all through our meetings.

S. B. STROUP.

The Ven. John H. Griffith presented the following, which was, on motion, received:

REPORT OF ARCHDEACON GRIFFITH FOR YEAR 1920

Bishop Horner and Fellow Workers of the District of Asheville:

The year of 1920 was full to overflowing with rich experiences in matters pertaining to my duties. From my first service at St. Paul's Church, Glen Alpine, Burke Co., on the coldest day of the year, until my last service at St. Paul's, Edneyville, on December 30th, many hallowed privileges were mine.

With one or two exceptions, interest of a *manifested nature, growing congregations, spirit of hearty co-operation, self-sacrificing endeavors*, have marked each of my visits to the 30 Churches. Everywhere the cordial hand of welcome was extended and an invitation to "come back soon" accorded me. Owing to many vacancies in our Clerical ranks, my field has been somewhat extended. While unable to accept all the invitations to "come over and help us," yet our services numbered 179 in the 13 counties visited.

Seven thousand six hundred and eighty-one miles are nowadays not a great many miles to travel, yet when you attempt to cross mountains and go into isolated parts where transportation is far from normal, one may easily conjecture that rough riding is sometimes the order of the day and trip. On one of my trips from Blowing Rock to Boone, the truck in which I was riding broke down and in consequence I received a wound which weakened me considerably from loss of blood and to my

last day I shall carry the scar. For over 2½ hours I had to travel by slow stages, with my arm elevated above my head to reach a doctor who could dress the said wound. Think of taking *seven hours and twenty minutes to travel twenty-one miles* in a hurry to reach an appointment. I speak of these not in any sense of lamentation, but only to say that the *welcome* and the *congregations* that await at the other end the services of the Church are worthy of all the *deprivations* and *inconveniences* and *suffering*.

Sometimes our optimism is taken for egoism, but God knows that optimism is a necessary asset in doing work of any kind, more especially missionary work amongst people who know nothing of our ways and practices, and who are somewhat *prejudiced* against the Church. To reach these people has, been my prayer, and I want to tell you people of the District that many of these people are now attending our services for the first time in their lives,—many coming miles to do so. Many asking your missionary to abide with them in their homes. Asking for literature of the Church. Asking many questions which prove that we are beginning to take our rightful position in the villages and towns and cross roads where we are desirous of being known and better known.

Within the last moon two Methodist Ministers and two Baptist Ministers have asked your servant to come and preach in their Churches, so as to give you and my Church a "*send-off*" with their respective folks and the community in general.

Thank God the time is ripening for the opportunity to carry across these wonderful mountains the Sacraments of Jesus Christ as you and I have received them. Now listen: "Dr. Henry Synder, President of Wofford College, Spartanburg, said, on April 8th, that the entire South belongs to the Methodist and Baptist. That other denominations may be accomplishing something in this territory, but that the preponderance of numbers of Methodists with their two and one-fourth millions and Baptists with their four million members justifies the statement that the future of the South depends on the Methodists and Baptists." A Presiding Elder said to me recently that Bishop Darlington (of his Church) had asked him "if he thought that the Baptists were going to take the people of our N. C. mountain counties." I replied, no more than you Methodists are going to do so. You people lost your opportunity when you sent to the mountain churches some of your most poorly prepared ministers.

Men and women of God's divinely instituted Church, if you believe that the Holy Spirit is guiding His bride as the Founder meant it to be, let's be up and about and give to the manliest of our Anglo-Saxon race what you and I have and love.

Since we haven't a Diocesan paper to acquaint each other of our work, and as the larger Parishes in the District are too busy to give us an opportunity to tell their Parishioners *something* of their sisters and

brothers who are yet in ecclesiastical swaddling clothes and creeping garments, I have taken these few moments to tell you these things here in our Annual Convention.

Brethren of the District, Bishop Shayler of Nebraska recently said: "The Church is challenged by the world today to show sufficient reasons for its existence, or else give up the struggle in ignominious death." Shall we give up our work in these Counties? Ten thousand times ten thousand—no. Never.

What shall we do then? Get together with God and pull together with God for His Kingdom.

Our Bishop's burdens must be ours. Our demonstrated sympathy must go to him.

Our heartiest co-operation must be at his beck and call and command.

One more thought and I am done. Can't the Convention stop its business for 15 minutes sometime today or tomorrow and take stock of the needs of several of my mission points. I'll prove to you that the time will be well spent for others if not for ourselves.

REPORT OF THE COMMITTEE ON CONSTITUTION AND CANONS.

The Committee on Constitution and Canons to which was referred the proposal of a Canon creating the "Executive Board of The District (Diocese) of Asheville," respectfully reports that it has examined the Canon as adopted by the Diocese of Atlanta, and would recommend the adoption of that Canon, with certain changes,

As follows:—

Resolved: That the present Canon XV be repealed, and the following be substituted therefor, making a new Canon XV.

CANON XV.

EXECUTIVE BOARD.

SECTION 1. An Executive Board is hereby created, consisting of the Bishop, the Secretary-Treasurer of the District (Diocese), and three clergymen, three laymen and three women; which Board when organized, is hereby charged with the supervision and administration of the Missionary, Educational and Social Service work of the Church in this District (Diocese).

SECTION 2. The Bishop shall be ex-officio the President of said Board, and the Secretary of the District (Diocese) shall be the Executive Secretary of the Board. The other members shall be elected annually by the Convention of the District (Diocese). A vacancy in the office of President of the Board shall be filled by the election of a President pro tem from the members of the Board.

SECTION 3. To the said Board is hereby committed the supervision, development and administration of every department of work, specified in Section 1 of this Canon, the performance of such necessary duties as may arise in connection with the pensioning of the clergy of the District (Diocese); the administration of the funds arising from the Nation-Wide Campaign; and of such other work which it may be hereafter charged by the District (Diocese) Convention.

SECTION 4. Said Board may elect such officers, appoint such agents and organize such committees, consisting of its members and other persons to which the work of the Board may be apportioned and assigned; and it may adopt such by-laws and rules, not inconsistent with the Constitution and Canons of the District (Diocese) for the government of itself and the departments which in its discretion it may create. The authority herein and hereby granted may be exercised whenever and to the extent that may be needful for the successful execution of the work done by said Board.

SECTION 5. Said Board shall report annually to the District (Diocesan) Convention on the first day of the session, giving a complete review of its work during the preceding year, accompanied by a full statistical and financial statement, and giving also a forecast of its work for the succeeding year, accompanied by a budget of the estimated expenses of that work. On presentation of said report the Convention shall take special order for its consideration and thereafter shall make appropriations for such recommendations of the Board as the Convention approves and for such other work as the Convention may prescribe.

SECTION 6. Said Board may receive contributions for its work and expend the same as directed by the donor, provided such directions accord with the plans and purposes of the Board as authorized by this Canon.

SECTION 7. All Missionaries whose stipends are paid by the Board shall be appointed by the Bishop with the advise and consent of the Board. The Bishop shall suspend or remove them for cause satisfactory to himself, which cause shall be reported to the Board at its next meeting. The Board, with the concurrence of the Bishop, shall assign all Missionaries to their respective fields and fix their respective stipends.

SECTION 8. No Missionary shall incur any pecuniary liability whatsoever in carrying on his work which shall be a charge against the District (Diocese), Executive Board, or the property of the Mission Station, save and except upon the written authority of the Bishop, or, if there be no Bishop, of the Council of Advice (Standing Committee); and no Missionary shall engage in any secular occupation without like consent.

stitute a quorum.

SECTION 10. Absence from three consecutive meetings of the Board without cause made known to the Board shall be equivalent to a resignation, and the Board shall, by election, fill the vacancy.

Resolved, further, That Canon xviii be and the same is hereby repealed, and that the remaining Canons be consecutively numbered.

Resolved, further, That Section 1 of Canon xvi be amended by striking out the words "Missionary Committee," and by inserting in lieu thereof the words "Executive Board."

The following resolution was, on motion, referred to the Committee on Constitution and Canons:

Resolved, That Section 1, Canon XI be amended by striking out the word "ten" in line four, and inserting in lieu thereof the word "fifteen."

The Committee on Constitution and Canons offered the following resolutions:

Resolved, That the following changes (in the numbering of the Canons) be and are hereby made in the Canons of the District, to conform with the Canons of the General Convention.

Resolved, further, That under the head of Canons of the General Convention referred to in the Canons of the District the following (numerical) alterations be made.

On motion the resolutions were referred back to the Committee in view of further amendments in the near future.

On motion of the Rev. Charles Mercer Hall it was

Resolved, That the report of the Committee on Communion Wine be received, and that the Committee be continued.

The Rev. Charles Mercer Hall offered the following preambles:

Whereas a clerical error has made it appear on page 38 of the Journal of 1920, that the report of the Special Committee on Communion Wine, recommending that "until otherwise advised, the Priests of the Missionary District of Asheville be allowed to administer the Holy Communion by using the 'fruit of the vine' either fermented, or unfermented"; and

Whereas, on page 102 of the Journal of the General Convention of 1886 (House of Bishops), the Bishop of Long Island offered the following resolution:

"Resolved, That in the judgment of the House of Bishops, the use of the unfermented juice of the grape as the lawful and proper wine of the Holy Eucharist is unwarranted by the example of our Lord, and an unauthorized departure from the custom of the Catholic Church." Which,

on motion, was adopted; and whereas, at the Lambeth Conference of 1888 (see page 119) "The Five Lambeth Conferences," the following resolution was formally adopted, viz: "That the Bishops assembled in this Conference declare that the use of unfermented juice of the grape or any liquid other than true wine diluted or undiluted, as the element in the administration of the cup in Holy Communion is unwarranted by the example of Our Lord, and is an unauthorized departure from the custom of the Catholic Church," and Whereas, the Bishops in Council, as reported on page 189 of the Journal of the General Convention of 1919, declare that "Wheaten bread, and pure natural wine, separately consecrated, are the true, and requisite elements for the celebration of the Holy Communion."

In place of the resolution appended to these preambles, the Rev. J. W. Cantey Johnson offered the following:

Resolved, That as a substitute, the resolution be omitted, and the records of the Lambeth Conference, and of our House of Bishops, be spread upon the Minutes of this Church.

On Motion, the preambles and substitute for the original resolution were adopted.

Mr. Harmon Miller presented the following report and resolution, which were, on motion, adopted:

REPORT OF FINANCE COMMITTEE.

We beg to report that we have examined the District Treasurer's accounts, and have also had them examined by an accountant who has reported that they are correct, and the same have been printed.

We have also examined the statement of receipts and disbursements of Wachovia Bank and Trust Company for the account of the Missionary District of Asheville, and find the same correct. The Wachovia Bank acts as agent of the District, holding the securities of what is known as the Ravenscroft Permanent Fund. During the year, there have been no additions to this Fund, the total principal in their hands having been \$58,533.78. The income is paid by them to the Treasurer, Rev. Mr. Stubbs. Our last year's report showed that there should be turned over to the Wachovia Bank \$4,000.00 in bonds, which were put up as collateral security to a Trustee note. By an oversight, when they were released on payment of this note, they remained in the hands of Mr. Stubbs, Treasurer, who received the interest, and has accounted for same until the present time. Now, however, they have been turned over to the Wachovia Bank, thus bringing the Ravenscroft Permanent Fund to a total of \$62,533.78. In this connection, the Finance Committee would like to express its appreciation of the complete and accurate report furnished them by the efficient Treasurer, the Reverend Alfred H. Stubbs.

We regret to state that we have been unable to obtain satisfactory accounts from the various schools of the District. We suggest that all the schools of the District be ordered to install a uniform standard system of bookkeeping, and that each school be instructed to render the Chairman of the Finance Committee a monthly report of receipts and expenditures. From these monthly reports, a twelve-months' statement at the end of the year, could be obtained and printed with the Treasurer's report.

Respectfully submitted,

HARMON MILLER, Chairman,
W. VANCE BROWN,
KINGSLAND VAN WINKLE.

We offer the following resolution:

That all the Schools of the District be ordered to install a uniform standard system of bookkeeping on forms to be furnished by the Finance Committee, and that each school be instructed to render the Chairman of the Finance Committee a monthly report of receipts and expenditures on forms to be furnished by the Finance Committee.

HARMON MILLER, Chairman,
W. VANCE BROWN,
KINGSLAND VAN WINKLE.

On motion of Mr. Charles E. Waddell, it was

Resolved, That Canon II be amended by striking out the word "male" in lines (5) and seven (7), the same to be referred to the Committee on Constitution and Canons.

On motion of the Rev. James B. Sill, it was

Resolved, That the Rev. Frederick D. Lobdell be asked to speak to the Convention on his work at Oteen Hospital.

Rev. Mr. Lobdell, limited to ten minutes, made an address according to the above resolution.

The Rev. Alfred H. Stubbs presented the following report, which was, on motion, adopted:

During the year 1920, the members of the Council of Advice, of the Board of Trustees, of the Finance Committee, the Secretary and Treasurer of the Church Pension Fund Committee, and also Mr. Chauncey D. Beadle, Mr. Reginald Howland, Mr. William L. Balthis, of Gas-tonia, and Mr. A. C. Henderson, of Hickory, were elected members of the Committee under the Rule.

To continue the work of the Nation-Wide Campaign an Executive Committee was elected, consisting of the Rev. Arthur W. Farnum, Mr.

W. Vance Brown, Mr. Chauncey D. Beadle, Mr. Reginald Howland, and all the members of the N. W. C. Committee.

The rent of the house in Biltmore, occupied by the Archdeacon, amounting to \$40.00 per month, was assumed by the Committee, beginning with June 1st, 1920.

The Rector of Trinity Church, Asheville, was given charge of the Missions at Grace, Haw Creek, and Chunn's Cove, in addition to the Church of the Redeemer.

The receipts have been \$8,481.21, and the Disbursements, including last year's debit balance, \$8,867.86, leaving a debit balance of \$386.65, which has since been wiped out.

We have received \$9,800.00 from the Domestic and Foreign Missionary Society, which sum, added to our own fund, has met the salaries due twenty-one of our Missionary Clergy.

In addition to this, by the aid also of the N. W. C., \$10,258.14, has been paid to the Treasurer of the Domestic and Foreign Missionary Society, which now goes by the name of The Presiding Bishop and Council.

The Liberty Bonds, part of the contributions for the N. W. C. by the Wilkesboro Parish, were not listed in the Treasurer's Report, their cash value being uncertain. They are now in the process of conversion, which may enable us to dispose of them, for the benefit of the Committee's financial responsibilities.

Respectfully submitted,

ALFRED H. STUBBS,

Treasurer.

Mr. Haywood Parker presented the following report of the Committee on Diocesan Organization which was, on motion, adopted:

The undersigned Committee appointed at the last Convention "to prepare all necessary papers relating to diocesan organization," and to "present a full report" to this Convention, respectfully submits that for reasons hereinafter stated, that it has not prepared any papers relating to Diocesan organization but presents the following Report as to the requirements of the Constitution and Canons of the Church for the erection of a Missionary District into a Diocese.

Article 5, Section 1 of the Constitution provides that,

"A new Diocese may be formed with the consent of the General Convention, and under such conditions as the General Convention shall prescribe by general Canon or Canons, by the erection into a Diocese of the whole or any part of one or more Missionary Districts; * * *.

"The proceedings shall originate in a Convocation of the Clergy

and Laity of the Missionary District called by the Bishop for that purpose * * *.

"When it shall appear to the satisfaction of the General Convention by a certified copy of the proceedings and other documents and papers laid before it, that all the conditions for the formation of the new Diocese have been complied with and that it has acceded to the Constitution and Canons of this Church, such as new Diocese, shall thereupon be admitted to union with the General Convention."

Section 7 of the same Article provides:

"The consent of the General Convention to the erection of a new Diocese shall not be given until it has satisfactory assurance of a suitable provision for the support of the Episcopate."

It is thus seen that the Constitution of the Church requires the following steps to be taken in the erection of a Missionary District into a Diocese:

1. The Bishop of the Missionary District must call a Convocation of the Clergy and Laity for that purpose.
2. The proceedings must originate in such a Convocation.
3. The proceedings must comply with the conditions prescribed by the general Canons.
4. Certified copies of the proceedings and other required papers showing compliance with the conditions and that the Constitution and Canons of the Church have been acceded to must be furnished to the General Convention.
5. Satisfactory assurance of suitable provision for the support of the Bishop must be furnished the General Convention.

It becomes necessary, therefore, to ascertain what conditions the General Convention has prescribed by general Canons for the erection of a new Diocese.

Canon 55 on New Dioceses provides:

Section 1. Whenever a new Diocese shall be formed * * * in a Missionary District, and such action shall have been ratified by the General Convention, the Bishop of the * * * Missionary District within the limits of which the Diocese is formed, * * * shall thereupon call the Primary Convention of the new Diocese for the purpose of enabling it to organize, and shall fix the time and place of holding the same, such place being within the territorial limits of the new Diocese."

"Section 4. Whenever a new Diocese shall have organized in Primary Convention in accordance with the provisions of the Constitution and Canons in such case made and provided, and in the manner prescribed in the previous Sections of this Canon and shall have chosen a name and acceded to the Constitution of the General Con-

vention in accordance with Article 5, Section 1 of the Constitution, and shall have laid before the General Convention certified copies of the Constitution adopted at its Primary Convention and the proceedings preparatory to the formation of the proposed Diocese, such new Diocese shall thereupon be admitted into union with the General Convention."

After a careful study of the Constitution and Canons your Committee is of the opinion that to give the proceedings force and validity, it is essential that initial steps be taken in a Convocation of the Clergy and Laity of the Missionary District called by the Bishop for that purpose. We do not believe that any such proceedings are valid or effective unless they originate in such a Convocation so called by the Bishop; and as no such call was made, your Committee feels that the initial proceedings can not be had at this Convention.

As the Bishop in his address to this Convention has now issued the formal call necessary for such a Convocation to be held at the same time and place as the Convention of the District for 1922, your Committee requests further time within which to prepare the necessary resolutions, etc., for that Convocation.

Respectfully submitted,

HAYWOOD PARKER,
HERBERT D. MILES,
WM. L. BALTHIS.

On motion of the Rev. H. Norwood Bowne, it was

Resolved, That a Special Committee consisting of three Clergymen, and three Laymen be elected to draw up a suitable Constitution, and body of Canons for the new Diocese, and to report to the Convention in 1922.

On motion of the Rev. Willis G. Clark

The election of the Committee on the preparation of a Constitution and Code of Canons, was made the order of the day, at 10 o'clock Thursday.

On motion of Mr. Herbert D. Miles it was

Resolved, That in accordance with Article 3 of the Constitution and Canons, it be spread upon the record, that each Church of our District be requested, in electing its delegates to the Convention of 1922, to elect separately, delegates (who may be the same in personnel) to the Special Convocation to be held at the same time and place for the organization of a Diocese.

And further, that the Secretary of the District be instructed to state the necessity, in preparing the blanks, and literature to be furnished the Clergy.

On motion of the Rev. Arthur W. Farnum, it was

Resolved, That the Committee on Diocesan Organization be increased by the addition of two Clerical members.

Under this resolution the Bishop appointed the Rev. Willis G. Clark, and the Rev. Arthur W. Farnum.

The Committee to whom was referred permanent dates for holding Conventions, offered the following recommendation in regard to the next Convention:

After conferring with various delegates, the Committee recommends as the date of the next Convention, April 26th and 27th, 1922.

Respectfully,

HARRY M. ROBERTS,
WM. L. BALTHIS,
JNO. H. PEARSON.

On motion the recommendation of the Committee was adopted.

The Treasurer presented his report as printed, which was, on motion, adopted.

The Rev. Alfred H. Stubbs was re-elected Treasurer.

On motion of Chas. E. Waddell, it was

Resolved, That the Convention and Contingent Fund Assessment be raised ten per cent on all Parishes and Missions.

On motion of the Rev. Arthur W. Farnum it was

Resolved, That it is the sense of the Convention of the District of Asheville, that the Reverend Hibbert H. P. Roche is a worthy recipient of the provisions of the Church Pension Fund, and that the said Convention request the Bishop to appoint a committee of three to investigate this case.

Mr. Haywood Parker presented the following report, which was, on motion adopted:

TRUSTEES' REPORT, 1921.

In addition to the performance of such routine acts as the duties of their position have made necessary, the Trustees have since the last report taken the following mentioned acts affecting the property of the District:

The vacant lot in Leicester was sold and conveyed to J. M. Carver for \$200.00. This lot was purchased many years ago when the Mission at Leicester was in a thriving condition, and it was hoped there would eventually be need of a Rectory, and the lot was acquired for that use. The Mission however became weakened through the death and removal of the members, and finally ceased to exist. For some years past no member of our Church has been living in that neighborhood. The Church had

fallen into decay, and was sold last year for old lumber. There was no prospect of reviving the Mission and the Trustees deemed it best to sell the vacant lot and place the money in the Church Building and Repair Fund. The Church lot will not be sold, as it contains the graves of many old residents of the neighborhood, some of whom were communicants and founders of the Mission.

On May 25, 1920, the Trustees executed a deed conveying to Canton Junior Home the vacant lot in Canton, Haywood County, which had been purchased as a site for a Church. It was decided that a lot more suitable for this purpose could be acquired. The \$1,500.00 paid by the Canton Junior Home was used in part paying paving assessments on the lot sold and in purchasing another lot more conveniently located, and the balance held to be used in building a Church on the lot acquired.

On June 22, 1920, the Trustees executed a deed conveying to J. R. Warren the Mission House and lot at Balsam, Jackson County, for \$650. This Mission House had not been occupied for some years and was falling into decay, and as there was no apparent prospect of needing the house for Mission purposes, it was deemed best to sell it.

A few years ago the Trustees decided to set aside a lot in the Roebling lands as a site for the Archdeacon's residence. The Board of Missions agreed to let us have \$10,000 with which to build the house. It was decided not to build until the costs should become more reasonable. In the meantime an opportunity arose of purchasing a comparatively new house and a large lot on one of the best residential streets in Asheville for the money donated by the Board of Missions plus the lot in the Roebling lands. After careful investigation the Trustees considered the price reasonable, and as it would immediately give the Archdeacon a suitable home, which he was compelled to have, the purchase was made, and the Trustees on March 16, 1921, executed a deed to Mrs. Ella Bauer for a lot 65 feet wide and 140 deep in the Roebling lands, paid her the money donated by the Board of Missions, and took from her a deed to the house and lot on the south side of Hillside Street in Asheville.

The Trustees recommended the adoption of the following Resolution:

Resolved, That the action of the Trustees in selling and conveying the vacant lot in Leicester, Buncombe County, to J. M. Carver, and in selling and conveying the vacant lot in Canton, Haywood County, to Canton Junior Home, and in selling and conveying the Mission House and lot at Balsam, Jackson County, and in selling and conveying the vacant lot in the Roebling lands in Asheville to Mrs. Ella Bauer, as reported by the Trustees, be and the same are hereby, each and all approved, ratified and confirmed.

Respectfully submitted,
HAYWOOD PARKER,
Secretary for Trustees.

The Secretary presented the following report, which was, on motion, accepted:

REPORT OF THE TREASURER OF THE BOARD OF TRUSTEES

The addition to Deeds in charge of the Trustees since last report, are:

A certified copy of a Deed from Caroline M. Jones et al to Trustees. Tract of land in the Township of Blue Ridge, County of Henderson.

REPORT OF THE NATION-WIDE CAMPAIGN COMMITTEE.

Presented by the Rev. Samuel B. Stroup, Sect'y.

The N. W. C. Committee begs to make the following report:

Your Committee at last Convention was elected to carry on the work of the N. W. C., but at that time the Convention did not specifically designate its duties, nor assign to it any powers. The Committee therefore, being unable to function by Canon, as had been recommended by the Central Office, sought its authority at the hands of the Missionary Committee, to which it was referred by the last Convention. The Missionary Committee, in full sympathy with the project of the N. W. C., elected therefore from its own membership for the most part an Executive Committee, which enabled it to function along the general lines of the proposed Bishop and Council.

The Committee elected the Chairman of its six departments and Executive Secretary, who were charged with carrying out as far as possible the plans and purposes of the General Church as suggested by the Handbook of 1920.

The Executive Secretary following the advice of the Committee, opened an office and became a clearing house of information, and in a

way a go-between the Central office and each Parish and Mission. Through this office there has been distributed 33,600 pieces of literature of various kinds and from it has been written 1,800 letters on various subjects which have had to do with the Campaign.

In addition to this work several conferences were arranged for and carried out to the help of the Church. The first conference of a general nature was held in Trinity Church, Asheville, August 31st, at which conference Dr. Milton was present, with twenty Clergy and various Laymen. Other conferences were held at Hendersonville, Waynesville, Gastonia, Wilkesboro and Lenoir, and visits paid to many other Parishes in regard to the Campaign.

The Executive Committee was asked to prepare a list of Priorities or Askings from the General Church, which it did. The General Church however has not been able as yet to give all we have asked for but much has been assigned to our work.

The Committee feeling that the matter of first importance was Clerical Salaries has been able to fix a minimum salary for the Clergy and with funds with which to pay them.

The schools came next and have been provided for, not as needs demand, but as generously as possible and for the first time no begging has had to be done for that purpose. We shall hope as the Campaign advances a greater amount will be available for all purposes in the District.

The Campaign this year, while lacking the thrilling enthusiasm of the first year has nevertheless demonstrated that for the most part our people were sincere in their professions. With criticisms from many sources of the general administrations from those who might have more properly have lent their loyal assistance to the Church, and with an unexpected slump in the business world which has been widely felt, the Parishes and Missions generally have met their obligations and in several instances have increased them. This, says Dr. Milton, is a matter of congratulation to the District, which he says has set a mark for the larger and richer Dioceses. If the whole Church today was interested in Missions as the District of Asheville there would be more money in the general treasury than could be used. Our people are giving for this purpose more per capita than the richest Dioceses in the Church. Our people are giving \$3.43 and New York is giving \$3.15. We should feel a great pride in this fact.

In December, according to plan, Missions were arranged for in many of our Parishes and Mission Stations. The Central Office sent to us the Rev. Dr. Carstensen of Holy Hood Parish, New York City, who made a wonderful impression wherever he went. Our own Clergy loyally responded to the call and lent themselves to this work and much good was accomplished is asserted from many sources. We believe that a yearly Mission should be held in every place, and at the time fixed by the General Church, an Executive body.

Our work is not finished. We are confident that the Church in Asheville, while making a great advance, has not yet reached its limit of giving and serving but we are encouraged and emboldened by the work which has been accomplished and thank God and take courage for the new enterprises for the King and the Kingdom.

We are thankful for the opportunities which have been ours, in bringing in our poor way the challenge of the Church to the loyalty and devotion of our people, and are confirmed in our faith in their capacity for increasingly greater things.

We shall, in closing like to call your attention to the following recommendations: First. In view of the fact that the N. W. C. is still in progress and that much is yet to be done. We recommend that some organization similar to that one in operation be continued for the purpose of seeing as a clearing house of information a distributing center for literature and for the holding of such conferences as may be deemed expedient or demanded by the Central Office. Second. That the Canon on the Bishop and Council be passed as recommended by the Central Office.

S. B. STROUP,
Secretary.

On motion of the Rev. James B. Sill it was

Resolved, That the report of the Secretary of the Nation-Wide Campaign Committee be accepted, with our deep appreciation of its work, and that it be printed in the Journal.

On motion of Mr. Haywood Parker it was

Resolved, That a Committee of five men, and five women be appointed as a Committee to continue the work of the Nation-Wide Campaign, with authority to employ such assistants as may be approved by the Bishop, and Finance Committee, such assistants to be paid from the general funds of the District.

On motion, a rising vote of thanks was given to the Reverend Louis G. Wood, Field Secretary of the Nation-Wide Campaign, for his valued address given at the Woman's Auxiliary Service held last evening.

A recess was taken.

Waddell were elected as a committee to draft a new Constitution, and Code of Canons, for the purpose of obtaining, and giving information only, to the primary Convention of the new Diocese to be held in 1923.

The Rev. Walter J. Smith addressed the Convention in the interest of the Thompson Orphanage.

On motion of the Rev. John C. Seagle, it was

Resolved, That the report of the Thompson Orphanage, when received, be accepted, and printed in the Journal.

The Rev. James W. Cantey Johnson, the Rev. H. Norwood Bowne, the Rev. Willis G. Clark, and Mr. William L. Balthis, Mr. William T. Lindsey, and Mr. Harmon Miller were elected as Deputies to the Synod of the Fourth Province.

The Rev. Samuel B. Stroup presented the following report, which was, on motion, accepted:

REPORT OF THE COMMITTEE ON THE STATE OF THE CHURCH.

Your Committee on the State of the Church begs leave to present for your consideration the following report:

Your Committee is conscious of the limitation imposed upon it both from without and within. It is conscious of the evident fact that no set of eyes would observe the same thing, that no two minds would be impressed with the knowledge of the same fact. We therefore, your Committee, can but speak as we have been moved to do, and if we be accused of making a too encouraging report, it is because we are by nature hopeful and optimistic.

The Church is, we believe, awake to its opportunities and is on the whole endeavoring to make use of them. The people of the Church have had a new baptism of the Spirit which has been demonstrated in a tangible way with material things. It has been astonished, I think, at its own capacity to do, and give, and be. It has had held before its eyes a program of service which a short while ago would have made us gasp with dismay. It has been willing to adventure and this proves that the Church has faith in itself and its task. It is by such a faith that we achieve.

There have been in several instances unfortunate vacancies. It is always difficult to keep the peoples' interest in a work, which is without a leader. It has been very difficult to find Clergy who are fitted to the

tasks which are peculiar to the District whose service can be obtained with the salaries which we are able to pay today. We believe that the Church does well to make haste slowly in the selection of its Ministers, and we think the best interest of the Church would be served best by a minister from and by our own people.

There is work which needs to be developed. Such opportunities as that at Canton should not be lost, and we trust that funds may soon be provided to properly equip and maintain a work there. In such places we ought to put the strongest men we can obtain, and at whatever cost.

It is with much pleasure that we have observed the work of our Archdeacon. He has talents which peculiarly well fit him for such duties as he has to do, and he does these tasks with an enthusiasm which is invigorating to behold.

A great field is ours, with unlimited opportunities to plant in the heart of a naturally devout and stable people, the teachings and practices of the historic and Catholic Church. So planted, in fertile soil, we may expect under God an increasingly abundant harvest.

We have no faith in figures as a guide to what the Church is doing. A Confirmation Class of one, may and often does, mean more of good to God and his Church than a class of many. For those who are interested in statistics we beg to call your attention to the following figures, which are as complete as we are able to make them at this time.

There were baptized persons	In 1920.....	6,222	In 1921.....	6,498
There were communicants	In 1920.....	3,527	In 1921.....	3,928
There were Sunday School				
Scholars	In 1920.....	2,290	In 1921.....	Reports Out
There were baptisms	In 1920.....	266	In 1921.....	278
There were confirmations	In 1920.....	148	In 1921.....	144

The above figures are by no means complete and if the reports were all in we should undoubtedly find that there are healthy increases in every department of Church activity.

In closing we would beg to call your attention to the following recommendations: First. Since it seems impossible to fruitfully impress upon the clergy the necessity of having the Parochial reports returned in a reasonable time. That a committee of one Layman and one Laywoman be appointed at each station to assist the Clergy with this work.

SAM'L. B. STROUP,
WM. L. BALTHIS.

On motion of the Rev. Samuel B. Stroup, it was

Resolved, That the cordial thanks of the Convention be given to the Rector, Wardens, and Vestry of St. Mark's Parish, Gastonia, and to

DISTRICT OF ASHEVILLE

the Ladies of the Parish, for their generous hospitality, and entertainment, and to the good people of the city.

On motion, it was

Resolved, That the hearty appreciation of this Convention be expressed to the Pastor and People of the Presbyterian Congregation, for the use of their Church on the Wednesday evening of the Convention.

On motion, it was

Resolved, That the next meeting of the Convention be held at Waynesville, N. C., on the 26th, 27th and 28th days of April, 1922.

On motion of Mr. Haywood Parker, it was

Resolved, That the Bishop, if he deems best, be authorized to appoint, as suggested by Mrs. Farnum, a Treasurer of the Little Helpers, a Treasurer of the Church School Service League, and a Treasurer of the Birthday Offering, to serve until the next Convention.

On motion of Mr. Charles E. Waddell, it was

Resolved, That the Journal be placed in the hands of the printer within sixty days from date.

On motion of Mr. Haywood Parker, it was

Resolved, That this Convention, by a rising vote, express its appreciation, to the Rev. George Ashton Oldham, for his excellent address delivered Tuesday, and Wednesday nights, and that the Secretary be instructed to write him to this effect.

The Secretary presented the following report, which was, on motion, received :

REPORT OF THE TRUSTEES OF ST. MARY'S SCHOOL, JANUARY 1, 1921.

Since May 1, 1920, \$1,000 has been loaned to the Raleigh Banking and Trust Company with interest at 6%.

The Special Treasurer of the St. Mary's Fund—the \$250,000 Fund for Buildings and Endowment—reports that the total pledges to date as now carried on the books for the campaign in the Carolinas amounts to \$146,494.67, distributed as follows:

Diocese of North Carolina	\$ 84,552.92
Diocese of East Carolina	24,517.00
District of Asheville	5,907.50
Diocese of South Carolina.....	30,000.00
From outside the Carolinas	1,520.25
	<u>\$146,497.67</u>

The quota for the Carolinas was set at \$200,000.

The campaign outside the Carolinas—the National Campaign, with headquarters in New York, was inaugurated last fall with the object of raising \$100,000. It is too early to judge the results of this part of the general campaign. To date some \$3,358 has been paid in.

The Treasurer has received from payments on the pledges in the Carolinas, interest on Liberty Bonds, etc., a total of \$83,850.66 in cash and \$4,550 in Liberty Bonds, War Savings Stamps, etc., a total of a little less than \$90,000. Of this amount \$17,825 has been expended on the campaign in the Carolinas; \$7,500 for the National Campaign; and \$50,000 has been applied to the Improvements in Smedes Hall and the Heating System at the School.

The above figures are approximately correct. No exact balances are accessible at the present.

Payments on a large number of the pledges are in arrears and a

renewed effort to bring these up to date would mean much to the Fund.

The Trustees have to report that supplementing the improvements in the buildings and heating plant made in the summer of 1919, considerable additions to the equipment were made during the past summer, especially in modernizing the Laundry Equipment (\$3,500), and in improving the equipment of the Music Department (\$3,500).

The buildings and equipment are now in fair shape, though they will require a decided expenditure each year to keep them in the proper condition.

To repeat the statement in the report of last year, while the School plant has been greatly improved, there are still many pressing needs to be met calling for liberal use of funds. Not to mention other matters, without any increase in the number of resident students, which is now limited to 200, there is need of much increased dormitory space, while the bonded debt of \$40,000.00 is yet unpaid.

Perhaps it should also be stated that the figures heretofore given in this Report do not include the one-half interest in the Trust Fund of \$30,000.00 created by Mr. Lawrence S. Holt and in the custody of the Provident Life and Trust Co., of Philadelphia.

The patronage of the School for the year 1920-21 is thoroughly satisfactory. The total enrollment is 275, of whom 212 are resident-students. There has been a larger attendance of resident students than in any previous year. There were 203 students in residence at the beginning of the year with a long waiting list, and more than a hundred applications had to be declined on account of lack of room.

The geographical distribution of the students is much as heretofore. The resident students represent 15 states and 20 dioceses. Seventy-five per cent (156) of them are from the Carolinas; and 97% (206) are from the southern states. The Diocese of North Carolina has had 62 girls in attendance; East Carolina, 54; Asheville, 15; South Carolina, 25; the Virginia Dioceses, 15; the Florida Dioceses, 13; Georgia, 7; Maryland, 7; the District of Columbia, Alabama, Kentucky, New York, Pennsylvania, Illinois, Indiana, New Mexico, and Mexico, are also represented.

In Church affiliation 70% (146) of the resident students are Episcopalians. There are 28 Methodists; 18 Presbyterians; 14 Baptists; and 6 of other denominations.

All of which is respectfully submitted,

JOS. BLOUNT CHESHIRE,

President of the Board of Trustees of St. Mary's School.

Raleigh, March 31, 1921.

The Secretary presented the following report, which was, on motion, received:

REPORT OF THE BOARD OF MANAGERS OF THE THOMPSON ORPHANAGE
AND TRAINING INSTITUTION.

I. FINANCIAL.

(a) Current Fund:

During the past year the Orphanage has received strong financial support from the Church. The Treasurer's books were closed on December 31st, 1920, with a cash balance of \$7,714.61 in the bank; bills receivable by the Current Fund in the sum of \$1,950.00, making total assets of \$9,664.61, with all obligations paid in full. This substantial balance is remarkable in view of the fact that the Current Fund was used during the year to pay for repairs and permanent improvements amounting in all to \$2,550.00. The present financial health of the Orphanage is due in large measure to the amount and the regularity of the income derived from the Nation-Wide Campaign. The Diocese of North Carolina contributed through this fund \$12,584.10, and the Diocese of East Carolina \$2,576.06. The District of Asheville contributed its Thanksgiving Offering and made other donations.

(b) Endowment and Building Funds.

The total amount of securities held for the Endowment and Building Funds of the Orphanage on April 15th, 1921, was \$30,935.65. Of this sum \$10,926.65 belongs to the Edwin A. Osborne Building Fund. The Endowment and Building Funds do not include \$10,000.00 in securities given to the Orphanage under the will of Mrs. Sadie Tucker Williamson. It was requested of the Executive Committee by Mr. Williamson, that he be furnished with a suggestion for a memorial building for which the Orphanage is now in special need. In response to this request, the Executive Committee has submitted to Mr. Williamson a preliminary draft of plans for an infirmary, which he now has under consideration.

II. PERSONNEL.

(a) Officers:

The office of Superintendent was made vacant by the action of the Board of Managers on April 19th, 1921, whereby the Rev. Walter J. Smith was retired as superintendent emeritus, on a pension of \$900.00 from the Orphanage. It was further decided that a clergyman be secured as his successor to the office of superintendent, and the Executive Committee was authorized to find and employ a man for this position.

Mr. J. H. Cutter resigned as Treasurer of the Permanent Fund during the year, and Mr. F. O. Clarkson was chosen in his place.

The staff of workers at the Orphanage has remained unchanged during the past twelve months, with the exception of one teacher in the Senior Department.

(b) Pupils:

There are at present eighty children at the Orphanage, classified as follows: From the Diocese of North Carolina, 49; from the Diocese of East Carolina, 13; from the District of Asheville, 18. During the year 16 new children were admitted and 15 were discharged.

III. HEALTH.

The condition of the children's health has been carefully supervised by Dr. Wingate and Dr. Tucker, assisted by other physicians and dentists of the city of Charlotte. Five major operations and twenty-two minor operations have been performed. At two different times the children were confined by epidemics of measles and whooping cough. One girl has spent about nine months at the State Sanitarium for Tuberculosis, in Hoke County. The rule against admitting any tubercularly affected child is being stringently enforced.

IV. FARM.

The expenses of the farm this year, which includes salary of the farmer, seed and feed for stock, purchase of new stock, repairs and improvements on the farm property amounted to \$4,258.28. The returns from the farm in products sold were \$432.30. The farm product consumed in vegetables, fruit and stock feed was valued at \$3,112.10. In addition to this, milk valued at \$3,364.00 was produced.

V. IMPROVEMENTS AND REPAIRS.

The permanent improvements at the Orphanage during the year, were:

- (a) The erection of a new laundry plant, cost, \$2,000.00.
- (b) The construction of a bridge over the creek, at an approximate cost of \$400.00.
- (c) Work on the farmer's cottage, amounting to \$150.00.
- (d) Damage by fire to Bronson Hall, estimated at \$1,200.00, was repaired by funds derived from insurance.

Plans for the Edwin A. Osborne Building have been adopted by the Board of Managers, and the Executive Committee is authorized to proceed at once to contract for the erection of this new cottage, which will accommodate twenty-four additional children under four years of age.

ANNUAL REPORT OF THE REV. WALTER J. SMITH, SUPERINTENDENT OF THE THOMPSON ORPHANAGE AND TRAINING INSTITUTION.

To the Board of Managers,
Greeting:

We close the fiscal year of 1920 in nearly as good financial condition as we did the year previous, having a bank cash balance of \$7,714.61, a six per cent note of \$1,750.00, and an emergency fund of \$200.00, making a total of \$9,464.61 to the credit of the current fund. This amount would be much larger if we take account of the new laundry built for Bronson Hall at a cost of about two thousand dollars, a bridge across the creek for four hundred dollars, and improvements on the barn and farmer's cottage costing about one hundred and fifty dollars.

Making allowance for the permanent improvements on the farm, we would say that it cleared in what was sold and consumed \$2,767.82. Of the amount received for general expenses our account shows that we got \$12,584.10 from the Nation-Wide Campaign Fund of the Diocese, and \$2,576.06 from the Diocese of East Carolina, with the usual Thanksgiving offerings and other donations from the District of Asheville.

Mr. J. H. Cutter resigned the position of treasurer of the permanent Fund in March, and Mr. Francis O. Clarkson was chosen in his place.

There were no changes in the working force of the Orphanage for the year except in the Senior Department of the School, Miss Bibb left at the close of the School year, June 1st, and in September, Mrs. C. C. Anderson, of Charlotte, took charge for a month till we could get a permanent teacher. At the end of the month she was succeeded by Mrs. Lollie H. Reveley, of Rutherfordton, who remained till January.

On September the 16th, while we were all in Chapel at morning service, fire broke out in Bronson Hall from the Kitchen range and did damage to the extent of about twelve hundred dollars, which was fully covered by insurance.

DISTRICT OF ASHEVILLE

During the year we have received sixteen children, eleven being from the Diocese of North Carolina, three from the Diocese of East Carolina, and two from the District of Asheville. Twelve returned to their people for various good reasons and two were sent to the Patterson School and one went into training in St. Luke's Hospital, New Bern. The present number in the Orphanage is eighty—forty-nine being from the Diocese of North Carolina, thirteen from the Diocese of East Carolina, and eighteen from the District of Asheville.

One of our girls spent about three-fourths of the year at the State Sanatorium in Hoke County. We have passed stringent rules against admitting any child into the Orphanage affected with tuberculosis and the only cases we now have in the Institution are of such a mild form as not to be a menace to the other children.

During the year the surgical operations were as follows: One for goitre, two for appendicitis, one for abscess, one for mastoids and twenty-two for the removal of the tonsils, twenty-six of the children had their teeth treated, fourteen had influenza and seventeen had scabies, or itch.

Dr. Wingate and Dr. Tucker have continued to look after the health of the children with the assistance of the other physicians and dentists of the city, to all of whom we wish to express our thanks.

Mr. Frank M. Shannonhouse, our attorney, has always been ready to give his efficient service whenever called upon.

The Standard Ice and Fuel Company and the City Water Works have continued their usual favors for which we feel most grateful.

I hereto append my statement as treasurer.

Respectfully submitted,

WALTER J. SMITH,

Superintendent.

The Committee on Unfinished Business having reported that there were no further matters requiring the attention of the

Convention, it was moved that the Convention should stand adjourned to meet on the Fourth Wednesday in April, 1922, in Grace Church, Waynesville, N. C., unless some other place shall be appointed.

The motion was agreed to.

After Prayer and the Bishop's Benediction, the Convention adjourned.

APPENDIX X

Address of the Bishop

Brethren of the Clergy and Laity:

Grace be unto you, and Peace from God, our Father, and from the Lord Jesus Christ:

I greet you again in Annual Convention, and pray for God's direction and blessing in our Consultations for the advancement of His Kingdom.

The many activities of the Church in the last few years have shown how the people are more and more realizing that we are living in an age and under conditions that call for much more in the way of service than can be given on Sunday and occasional week-day gatherings in the Parish Church.

We are finding out that the Church must be interested more than ever before in the every day life of the people. This desire for service calls for an opportunity to do something more than merely to teach Sunday School and preside at Guild meetings and visit the sick and attend to the many other things small or great that have for generations been regarded as belonging to the Church goer and average member.

This desire for activity along Church lines manifests itself in the formation in so many places of the Church Service League, intended to federate all societies of women in the Church for the purpose of forming a plan that will embrace the five fields of service: Parish—Community—Diocese—Nation—and World.

As each worker catches the vision, her enthusiasm increases and she is not content to confine her activities to the work of any single parish. No parish, however large and active, is sufficient to enlist the entire interest of the woman who has once gained the vision of the World-wide expanse of the Kingdom of God.

This same spirit too is engaging the attention of the men. Here and there men are realizing that there is something worthwhile in the efforts that are being made to conquer the whole world. "Like a mighty army moves the Church of God" is listened to and by some men the words are more than empty sounds.

On occasions like this we try to leave behind, for the time being, the first two circles of service, the Parish and the Community, and fix our attention upon the *Diocese*, the *Nation*, and the *World*.

Since meeting with you last year it has been my privilege to attend the Lambeth Conference. These Conferences are held every ten years in the city of London and are composed of Bishops of the Church from all parts of the world. No one could attend one of the conferences without having his vision greatly enlarged. He sees the Church at work in its most extensive and at the same time in its most intensive activities.

At the Conference in London last summer, the central theme of fellowship was emphasized, not local but world fellowship. In the encyclical letter it is said:

"We find that one idea runs through all our work in this Conference, binding it together into a true unity. It is an idea prevalent and potent throughout the world today. It is the idea of fellowship."

"To a world that craves for fellowship, we present our message. The secret of life is fellowship. So men feel and it is true. The secret of life is the double fellowship, fellowship with God and with men."

"In order to accomplish its object, the Church must itself be a pattern of fellowship. It is only by showing the value and power of fellowship in itself that it can win the world to fellowship."

"Men in all communions" (after the war) "began to think of the reunion of Christendom, not as a laudable ambition or beautiful dream, but as an imperative necessity."

Movements of so great import as this one of the reunion of Christendom, of this bringing together of the world in fellowship, must of necessity advance slowly. The Lambeth Conference has thrown out the idea to the world and it will grow to fruition.

The coming together of delegates from so small an area as our District even should have something of an enlarging effect

upon each one as he comes in contact with others of entirely different visions, but intent upon one goal to be reached.

If we keep the vision, the great vision of the Kingdom before us, our small and trifling anxieties, over local difficulties fade away, and we realize more and more our dependence upon one another.

CLERICAL SALARIES.

Thanks are due our N. W. C. Committee and all who helped them for the results obtained, which have enabled our Missionary Committee to increase very materially the salaries of our clergy. Some yet are perhaps inadequately provided for, but as the high cost of living has been greatly reduced, we hope all our clergy will find the readjustment will be such as to enable them to live comfortably and do their best work.

SCHOOLS.

Our four Industrial Schools have done as good work as possible. On account of the abnormally high prices of labor and material last summer, neither the Patterson School nor the Valle Crucis School was able to finish their new buildings for occupancy during last winter but both will be ready for the next school term. They are semi-fireproof buildings and have been erected at a marvelously low cost when we consider the excellent character of the structures.

The low cost was due to the fact that both schools had saw mills and machinery for cutting and preparing their own lumber from the school farms. The satisfaction the teachers and pupils will have in the new buildings will be very great after having to occupy for so long over-crowded and cramped quarters.

The Appalachian School at Penland has adopted the plan of a winter vacation instead of summer, and we hope this will be found a most satisfactory arrangement.

The Finance Committee of the District finds the accounting systems of the schools not satisfactory and will probably recommend that a uniform system be adopted for all the schools. This committee will recommend a book for the purpose and I am sure all the schools will most gladly adopt the same and avail themselves of the expert suggestions of the Finance Committee.

*DISTRICT OF ASHEVILLE***WOMAN'S AUXILIARY**

The women have done, perhaps, more than their share in the advance work of the District, and have so thoroughly caught the new spirit of the age in their desire for service, that the next step will be perhaps taken by them at this Convention and they will ask to organize as a Diocesan Church Service League. This organization has already been formed in some of the parishes, and it is hoped that each Rector in our District will, as soon as possible, form such a league in his parish.

SUNDAY SCHOOLS.

The Sunday Schools too have caught the vision of the greater opportunities for service. This awakened spirit is perhaps well indicated by an indirect measure of the children's interest. Two Sunday Schools of the District gave, each, more for their Lenten offering than the whole District used to give. These two Sunday Schools are St. James', Hendersonville, and Trinity, Asheville. All the schools have likewise advanced in their interest, as shown by reports and Lenten offerings.

CLERGY CHANGES.

We have lost during the year by removal, four clergy, two to the North Carolina Diocese, one to Atlanta, and one to New Mexico, and we have gained by transfer three others, one from North Carolina and two from South Carolina.

We have several important vacancies to be filled and our authorities dealing with the matter are at work to secure suitable men for these places.

NATION WIDE CAMPAIGN.

The Nation Wide Campaign Committee has carried out its program this year most effectively and at very little expense, and we thank the committee most warmly. The quietness and ease with which this has been done are not to be considered as indication of indifference but rather as marks of well directed efficiency.

The results of the Campaign last year and thus far in this year are beyond the expectations of the most sanguine, as expressed when the Campaign was first proposed.

DIOCESAN ORGANIZATION.

The working of the Nation Wide Campaign in our District has developed so much latent strength that it seems we are now financially able to assume Diocesan organization

It seems to have been the custom in the past for Missionary Districts to take action for organization into a Diocese at their annual Convention preceding the next General Convention and as our next convention will probably meet several months before the 1922 General Convention, the 1922 Convention of the District will be the most suitable for our organization, and the Special Committee appointed to look into this matter will probably so advise. Accordingly I hereby give canonical notice to all parishes and missions that they elect and send to the Annual Meeting of our Convention in 1922, (time and plan to be fixed by this convention,) their delegates prepared to take part in organizing the District into a Diocese in accordance with Article V, Section I, of the Constitution.

My advice is that the time of our meeting in Convention be fixed as near the end of the fiscal year as possible. I ask to print in the Journal the summary of the official acts and the Bishop's diary without reading the same to the Convention at this time.

ALFRED H. STUBBS,
Treasurer.

Asheville, N. C.
March 24th, 1921.

Complying with instructions received from the Finance Committee of the Missionary District of Asheville, I have examined the accounts of the Rev. Alfred H. Stubbs, Treasurer of the District.

I find all Expenditures made by him supported by proper receipts and vouchers, and that the ledger balances as stated above, showing the financial condition of the District, on Dec. 31, 1920, are correct, and that the amount of cash on hand, as therein stated, is on deposit in the Battery Park Bank, to the credit of the Treasurer of the District, and subject to his check.

D. G. DEVENISH,
Public Accountant.
